Healthy New Year!

We had a brilliant but challenging 2011 for which we thank you for your support.

Last January we changed from the WJF to the BJJ which gave the club a lot more autonomy providing us with the ability to explore jujitsu outside the standard syllabus. By doing this we hope to provide our students with a more rounded knowledge of martial arts and put them in touch with some very knowledgeable and experienced Sensei's.

We had the great pleasure of welcoming Sensei Carl Fisher an exponent of Brazilian Jujitsu. He provided us with a very exhausting day in February, in the art of ground fighting.

In September we were honoured to host Grand Master Paul Bowman for a course held at Ashby Leisure Centre. Sensei Bowman is an exponent of Pressure Points and had some awesome techniques to impart to us. I think we can all say we were stunned at the way he was able to knock out his uke's with a single strike to the right pressure point!!

We completed our first 3 gradings with great results and with the full ratification of the BJJ thanks to Sensei James Pope who spent a day with us in June. From comments from Sensei Pape and from those voiced by our students we have learned some valuable insights that we will carry forward.

Congratulations Tim Marson

Well done Tim on getting your black belt in December. Tim has been working hard towards his black belt and after 5 years of training he reached 1st Dan status at Warrior Martial Arts in Nottingham under the examiner Sensei Steve Ainscough 6th Dan.

Tim has been a diligent student with Leicester Jujitsu since 2006 and took his very first belt (red) on the 21/09/06 getting a credit (*I wonder if he can remember that first grading?*). Since then Tim's grading results have been consistent always being of credit or honours level. He has been enthusiastic at training and very coachable which has meant that he has reached a very high standard of black belt that he should be very proud of. We are, and it has been a pleasure to coach Tim to this level.

We're sure Tim will now have some pearls of wisdom of how he made it and would be only too willing to share them with you, so why not shake his hand and ask what his keys to success are.

We can't wait to see what he does next with the knowledge and skill he has gained. The natural progression is weapons and 2nd Dan but we hope to see him take a look at teaching and put into the art his take on the techniques involved in Jujitsu.

Holiday Closure Dates

During 2012 the club will be shut for 5 weeks, you have not been charged for these in your monthly direct debits. Your monthly fees are calculated over a 47 week year and then charged at an equal amount over 12 months. The club closures for 2011 will be;

- Week of 2nd April to 8th April (1 week)
- Weeks of 23rd July to 5th August (2 weeks)
- Weeks of 17th December to 30th December (2 weeks)

Well done to everyone who graded in November, the last one for the year. We will be carrying out 4 gradings during 2012 so make a note of the dates in your diary and focus on your next belt. Set your goal to grade 4 times this year.

Special mention to our Honours students who all earned a FREE club badge for doing so well; Emma Williams, Luke Billingham, Tom Hinds, Chris Forgham (x2), Nick Webb (x2), Matt Cropp, Ross Ward, Nathan Webb and also Teile Narczyk who as a junior black belt is working through the senior syllabus 3 belts at a time to get the clubs FIRST junior GOLD STAR award.

Health and Fitness

Detox – So what's your New Year Resolution? Have you made one? Many of you will be planning to get fit, lose weight, reduce the alcohol intake or indulge less in Chinese takeaways. Have you ever thought about detoxing? Detoxing can help all of those New Year Resolutions just mentioned.

Why Detox? Our bodies naturally detoxify everyday it is one of the body's most basic automatic functions of eliminating and neutralizing toxins through the colon, liver, kidneys, lungs, lymph and skin. Unfortunately, with the pollution found in the air, water and food we eat, our bodies have a hard time detoxifying successfully. Today's modern diets contain too many chemicals, too much animal protein, too much saturated fat, too much caffeine and alcohol.

Our body systems and organs are now completely over-loaded to the point where toxic material remains inside our tissues. Our bodies try to protect us from dangerous substances by setting it aside, surrounding it with mucous and fat so that it will not cause an imbalance or trigger an immune response (some people carry up to 15 extra pounds of mucous that harbours this waste!)

Detoxification through special cleansing diets is the best way to assist your body's natural self-cleaning system. It is especially important for immune-compromised diseases like cancer, arthritis, diabetes and chronic fatigue. However, even if your diet is good, a spring cleanse can revitalize your system and rid your body of harmful bacteria, viruses and parasites. Take a look at our CLEAN 9 detox programme designed to set your body up for a Healthy New Year www.leicesterjijitsu.myforever.biz/nutrilite/step-2/clean-9.html Want to know how to get a cleaner, leaner healthier you in 9 days, then please ask Robert or Amanda for more information and assistance throughout the 9 day programme.
